First Aid Guide Training : Checklist

For first aiders, responders and emergency teams. Adapt every item to your site, equipment and written procedures.

Checklist

- ■ Hazard covered: moving an injured person unnecessarily
- ■ Hazard covered: missed bleeding control
- ■ Hazard covered: panic among bystanders
- ■ Decision practiced: check scene safety
- ■ Decision practiced: hand over to emergency services
- ■ Decision practiced: call for help and assign tasks
- ■ Decision practiced: decide whether to move the person
- ■ Hands-on part done: hands-on skills practice with instructors
- ■ Hands-on part done: certification courses where required
- ■ Hands-on part done: site emergency plans and equipment
- ■ Review question: was scene safety checked?
- ■ Review question: were priorities in order?
- ■ Review question: was help called early?

Stays hands-on and in person

- • hands-on skills practice with instructors
- • certification courses where required
- • site emergency plans and equipment

This checklist supports, and does not replace, required training, supervision or evaluation. It does not certify anyone.
