MEWP Training Requirements : Checklist

For MEWP operators, occupants and supervisors. Adapt every item to your site, equipment and written procedures.

Checklist

- ■ Hazard covered: exceeding platform capacity
- ■ Hazard covered: falls from the basket without proper restraint
- ■ Hazard covered: crushing against overhead structures
- ■ Decision practiced: attach the restraint lanyard to the anchor
- ■ Decision practiced: inspect the platform and controls before use
- ■ Decision practiced: keep clearance from overhead lines
- ■ Decision practiced: check capacity with tools and materials aboard
- ■ Hands-on part done: familiarization on the actual MEWP model
- ■ Hands-on part done: harness fit and lanyard use
- ■ Hands-on part done: site rescue plans for a stranded occupant
- ■ Review question: was the lanyard attached?
- ■ Review question: were inspection items covered?
- ■ Review question: were hazards in the area detected?

Stays hands-on and in person

- • familiarization on the actual MEWP model
- • harness fit and lanyard use
- • site rescue plans for a stranded occupant

This checklist supports, and does not replace, required training, supervision or evaluation. It does not certify anyone.
